

ADTC – The ULTIMATE Overnight Dance Camp!

Thanks for your interest in American Dance Training Camp and our Scholarship Program.

ADTC awards partial scholarships of varying levels, according to need. Need is determined by the family's financial situation and the camper's interest level in both attending ADTC and in dancing in-general.

We generally do not limit the number of scholarships we award. Scholarships are accepted and awarded on a rolling basis. We stop accepting scholarship applications as of May 31 for each summer.

Scholarship awards will vary from \$100 off to up to one-half off the weekly camp tuition price. Unfortunately, full scholarships are not available. To allow us to help the maximum number of campers, we generally can offer a scholarship toward only one week of camp per applicant.

Campers who are awarded scholarships for this summer and are interested in returning next summer are encouraged to set up a monthly payment plan with ADTC toward tuition for the following summer. So that we can help the maximum number of campers experience ADTC, generally we cannot award high-level scholarships to the same camper/s year after year, but we may make exceptions in some cases.

For your scholarship request, we will need ALL of the following:

- a) **A signed letter from the potential camper**, explaining why she would like to attend ADTC, what she hopes to get out of the experience, what she loves about dance and why. Handwritten is acceptable if legible.
- b) **A signed letter from the camper's parent/s** (or the adult/s requesting the scholarship) explaining why you would like us to offer a scholarship to the potential camper. Be sure to include all relevant background information (about the camper, the family's situation and/or why a scholarship is needed). Handwritten is acceptable if legible.
- c) **A signed copy of the most recent tax return/s** for the parent/s or guardian/s of the camper. If there is more than one custodial parent or guardian for the child, the tax returns of both parents or guardians (or one joint return) must be submitted.
- d) **A completed 2010 ADTC Registration Form**, noting which ADTC program, location and week/s the camper wishes to attend. Please write "Scholarship Application" at the top of the first page of your application form. Also include your payment information for processing the minimum \$300 per-week deposit. (If desired, we can wait to process the deposit until after your scholarship request is evaluated. Just write "*Hold for Scholarship Status*" next to your payment information on the application.)

1) **Fundraising:** ADTC has partnered with a well-established fundraising company, *Easy Fundraising Ideas*, to help families offset their ADTC tuition and/or travel costs. 2) **Payment Plan:** We are happy to work with families who need or want the ability to pay their tuition balances over time, in installments. Please email us if you have questions or would like information about a payment plan.
